

## New Bering 77 on the way

The Bering 77 is a very athletic and graceful long range motor yacht. Relying on the experience and lessons learned from all previous models.

---

### **Bering undertook the order of new motor yachts- Bering 77**

The Bering 77 displaces 364,000 pounds (165 tons) and shares the bulbous bow, hard chined hull sides and twin gondola skeg underbody of her sister ships. Her bow is very high off the water and prominently features two large pocket anchors tucked into the gorgeous stainless steel backing grill.

## Bering Yachts News May2018

---

The [Bering 77](#) has a range of over 4,000 miles at a cruising speed of 8 knots and can travel continuously for several weeks nonstop – letting her crew enjoy the journey while crossing the seas.
